Please show the bus operator or ferry attendant the student pass while boarding a bus or ferry.

Effective: September 2026

The Shore Link App:

Track the position of your bus or ferry in real time using the Shorelink App! The App is **FREE** to download on any Android or IOS device.

To use the Shorelink App, Real Time Passenger Information feature, follow these 3 steps!

- 1 In the Shorelink App, select '**Live Map**' on the bottom menu.
- 2 Select either '**Map**' or '**Routes**'. '**Map**' displays the position of buses and ferries island wide. If you have selected '**Routes**', next select your destination to view the position of buses and ferries operating that route.
- 3 The '**Search**' tab allows tracking by a specific bus or ferry stop. If using this tab, note that stops are labelled by nearby land-marks and roads. Select your stop followed by your bus or ferry route to track buses and ferries servicing that stop.
