

Ministry of Public Works and the Environment
2026-006Q-MPW - Provision of Engineering and Project Management Services

ANNEX A – PRICING SCHEDULE

Engineering and Project Management Services Breakdown

All prices, in Bermuda dollars (BMD), are to be all inclusive of all other associated works as shown on the Contract Documents, materials, related accessories, storage, transport, assembly, placement, overhead and profit. These rates may be used for determining additions and deletions from the contract sum and for interim payment valuation.

When calculating costs, please note:

Assignments more than seven (7) hours and less than thirty-five (35) hours duration will be paid at the daily rate and pro-rated at the daily rate for hours less than a full day's duration.

Assignments more than thirty-five (35) hours and less than one hundred and forty (140) hours continuous duration will be paid at the weekly rate and pro-rated at the weekly rate for hours less than a full week's duration.

Assignments more than one hundred and forty (140) continuous duration will be paid at the monthly rate for each one hundred and forty (140) continuous hours worked and at the weekly rate and weekly pro-rated rates for hours less than a full month's duration.
