19.7 The Government may terminate this Agreement at any time based upon a Default. The Government, in its sole discretion may provide the Supplier with a notice to cure the Default ("**Cure Notice**") any conditions that would otherwise amount to a basis to terminate this Agreement as a result of the Supplier's failure to fulfill its obligations hereunder. The Supplier shall respond to any such Cure Notice within a reasonable time or within such time as provided therein and the Supplier shall either cure the specified conditions or provide assurances to cure the same which the Government, in its sole discretion, deems adequate.

The Parties shall continue to perform their respective obligations during the dispute resolution process set out in this Section, unless and until this Agreement is terminated in accordance with its terms.
- 21.7 The costs of the arbitration, including administrative and arbitrators' fees, shall be shared equally by the Parties and each Party shall bear its own costs and attorneys' and witness' fees incurred in connection with the arbitration unless the arbitrator determines that it is equitable to allocate such costs and fees differently and so orders in rendering judgment.
