

PATROL/INTERCEPTOR VESSEL PROCUREMENT – RBR COAST GUARD – RBRCG2026

(ANNEX B) PRICE SCHEDULE

1. PURPOSE

1.1 This Annex provides the mandatory Price Schedule Template to be completed by all Proponents. Proponents shall provide firm, fixed pricing for all items listed herein.

1.2 Failure to complete this Annex in full may render a bid non-compliant.

2. PRICING INSTRUCTIONS

2.1 All prices shall be firm and fixed for the duration of the Contract.

2.2 Pricing shall include all costs associated with:

- a. Design and engineering,
- b. Materials and equipment,
- c. Installation and integration,
- d. Testing and acceptance (FAT, HAT, SAT),
- e. Documentation and training,
- f. Packaging, delivery, and commissioning.

2.3 Where items are identified as Owner-Supplied Equipment (OSE), bidders shall enter “N/A – OSE” and include installation and integration costs where applicable.

2.4 Any discounts shall be clearly identified.
