Upon any such suspension, the Government shall make payments to the Supplier up to the time of such suspension. If, following suspension of the Supplier's duties, there is no resumption within six (6) months, this Agreement may be terminated by the Supplier, and the Government shall make such payments as may be due under this Agreement.
- 18.6 If the duties of the Supplier cannot be discharged for reasons outside the control of the Government or the Supplier, the Agreement shall be treated as terminated by mutual agreement, and the Supplier shall be entitled to appropriate payment under Section 19.1 below.
- 18.7 The Government may terminate this Agreement at any time based upon a Default. The Government, in its sole discretion may provide the Supplier with a notice to cure the Default ("**Cure Notice**") any conditions that would otherwise amount to a basis to terminate this Agreement as a result of the Supplier's failure to fulfill its obligations hereunder. The Supplier shall respond to any such Cure Notice within a reasonable time or within such time as provided therein and the Supplier shall either cure the specified conditions or provide assurances to cure the same which the Government, in its sole discretion, deems adequate.
- 18.8 Any dispute with regard to this Article are expressly made subject to the terms and conditions of this Agreement.

19. PAYMENT FOLLOWING TERMINATION AND SUSPENSION

- 19.1 Following termination or suspension of the Suppliers obligations under this Agreement by the Government or as otherwise specifically stated herein, the Government shall pay to the Supplier, upon receipt of a proper invoice and subject to the terms and conditions herein, all amounts

payable for Goods provided or ordered prior to the effective date of termination or suspension as calculated in accordance with Schedule 1.

- 19.2 The Government may issue a written order to resume the order of Goods or Services hereunder within six (6) months of suspension in which case the pricing shall be as provided in Schedule 1.

20. DISPUTE RESOLUTION

- 20.1 If a dispute arises out of this Agreement, the Government and the Supplier shall attempt to agree to a settlement in good faith.
- 20.2 If a dispute is not resolved by the Parties, either the Government or the Supplier may at any time give notice to the other in writing that they wish to refer the dispute to mediation. The mediation shall be conducted by a mediator appointed upon mutual agreement of the Parties, or if no agreement can be reached, then by the President of the Chartered Institute of Arbitrators (Bermuda Branch).
- 20.3 If agreement cannot be reached through the Mediator, then the dispute may be determined, upon mutual agreement between the Parties, to have the dispute settled by arbitration.
- 20.4 The arbitration shall be by a single arbitrator appointed upon mutual agreement of the Parties or by the President of the Chartered Institute of Arbitrators (Bermuda Branch). The provisions of the Arbitration Act 1986, as amended from time to time, shall apply.
- 20.5 Notwithstanding the foregoing, no person shall be appointed to act as a mediator or arbitrator who is in any way interested, financially or otherwise, in the performance of duties hereunder or the business affairs of the Supplier.
- 20.6 The decision and award of the arbitrator shall be delivered within three (3) months of his or her appointment, unless otherwise agreed between the parties, and shall be final and binding on the Parties and enforceable in any court of competent jurisdiction. Nothing in this Section prevents or in any way restricts either party from seeking specific performance, injunctive relief or any other form of equitable remedy. The Parties shall continue to perform their respective obligations during the dispute resolution process set out in this Section, unless and until this Agreement is terminated in accordance with its terms.
- 20.7 The costs of the arbitration, including administrative and arbitrators' fees, shall be shared equally by the Parties and each Party shall bear its own costs and attorneys' and witness' fees incurred in connection with the arbitration unless the arbitrator determines that it is equitable to allocate such costs and fees differently and so orders in rendering judgment.
- 20.8 In rendering judgment, the arbitrators may not provide for punitive or similar exemplary damages.
- 20.9 The arbitration proceedings and the decision shall not be made public without the joint consent of the Parties and each Party shall maintain the confidentiality of such proceedings and decision unless otherwise permitted by the other Party, except as otherwise required by applicable law or statutes.

The Supplier shall use all reasonable endeavours to notify the Government (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.
- 21.5 The policy clause "Other Insurance" or “Excess Insurance” shall not apply to any insurance coverage currently held by The Government of Bermuda, or to the Government of Bermuda’s Self-Insured Retentions of whatever nature.
- 21.6 If the Supplier subcontracts any work under this Agreement, Supplier shall ensure that each subcontractor maintains insurance coverage with policy limits of at least the amounts stated in the Insurance Policies.
- 21.7 The insurance requirements set forth above do not in any way limit the amount or scope of Suppliers liability under this Agreement.
