

## **BERMUDA ASSET FREEZE LICENCE APPLICATION**

This form should be used by individuals or entities seeking a licence from the

Minister of Legal Affairs to allow an activity or transaction to take place that would otherwise be prohibited under asset freezing measures in the Overseas Territories Orders in Council (Overseas Territories Orders) listed in the International Sanctions Act Regulations 2013 (2013 Regulations). The 2013 Regulations list all of the United Nations (UN) and United Kingdom (UK) sanctions regime-related Overseas Territories Orders in force in Bermuda.

This form should **NOT** be used for export control licence applications or other non-asset-freeze matters. The completed form should be submitted via E-mail to: [fsiu@gov.bm](mailto:fsiu@gov.bm), with a copy to:

- i) The Minister of Legal Affairs and Constitutional Reform  
Global House  
43 Church Street  
Hamilton HM 12  
Bermuda

For license applications relating to the Counter-Terrorism (Sanctions) (Overseas Territories) Order 2020 in particular, you should instead write to the Minister of Legal Affairs setting out the full facts and details of the licence needed. In some cases a general licence may already be in place.

Licence applications can be legally or commercially complex, and in certain circumstances require clearance or prior notification internationally (e.g. at UN level). Accordingly you should apply at least four weeks before a licence is needed and preferably even further in advance if practicable.

The Minister of Legal Affairs and Constitutional Reform can only issue a licence where there are grounds to do so. These grounds will be set out in the relevant legislation. In each application consideration should be given to the grounds on which the licence is sought and reference should be made to the relevant licensing ground as set out in the relevant legislation. Applications which do not do so may be returned with a request that a suitable licensing ground be added.

**Please read the notes on page 5 before completing the form.**

## NOTES

---

- 1. Please read these notes before completing the form.**
2. This form is designed to be used for all financial sanctions regimes.
3. Licences can only be issued where there is a legal basis to do so; the legal basis will usually be set out in the relevant Overseas Territory Order that established the sanctions regime in question.
4. The form has been developed with commercial arrangements in mind (i.e. sales of goods or services etc.). It should be adapted and used (for example) for gifts or humanitarian transactions where funds, goods or services are donated. Whatever the nature of the arrangements please provide a full explanation of what is happening and how much and who is involved.
5. The form is in EIGHT parts:
  - a. Part 1 asks for the name of the regime under which the licence is sought – this will be the regime under which sanctions otherwise apply. You should refer to any special factors affecting the urgency of your application here.
  - b. Part 2 asks for the details of the person on whose behalf the licence is sought and of a person to contact (who should be familiar with the transaction involved).
  - c. Part 3 is about the licence sought – the type of licence sought. REMEMBER that The Minister of Legal Affairs and Constitutional Reform can only issue a licence if there is a legal basis to do so. The grounds for issuing a licence are found in the Overseas Territory Order imposing sanctions.
  - d. Parts 4 and 5 are about the transaction involved. Please make it clear if a transaction is a one-off or if it will be repeated. If regular or repeat payments are involved, please explain how often those payments will be made.
  - e. Part 6 is about the banking details of the transaction.
  - f. Part 7 provides the applicant with an opportunity to add any additional background. You should also attach and list any additional documents you are sending that will make it easier for the Governor to understand the application. Where a licence is sought (for example) on the basis that a contract was entered into before sanctions were imposed it is essential to provide a copy of that contract.
  - g. Part 8 provides for a confirmation of the truth of the information submitted.
