

COVID-19

(Coronavirus)

Guidance for Minibuses and Public Buses for dedicated school runs (student passengers only)

This guidance applies to minibuses and public buses that are used for dedicated school runs.

- Students are to sit shoulder-to-shoulder, thereby allowing all seats to be filled, no standing
- If community transmission recurs, then DoH guidance will revert to 3 foot rule
- Hand sanitization upon boarding is required.
- Masks required by driver and students, upon boarding and for duration of journey worn according to DoH guidelines
- Talking person to person to be minimized
- Talking on phones not permitted
- Natural ventilation is best. Weather permitting, please keep windows open at all times.
