Nurse Associates

The Bermuda Nursing Council establishes and maintains a register of nurses and nursing associates. A nurse and a nursing associate must make an Application for Retention to the Council every two (2) years, having been engaged in the practice of nursing, as the case may be, for the prescribed number of hours per year in the two year period immediately prior to the date of application.

Every nurse and nursing associate shall complete a prescribed number of hours of continuing professional education that the Council may approve of for nurses or nursing associates. Registration and proof of registration must be displayed or made available on request. Practitioners currently registered are listed below. Nurses and Nursing Associates are reminded that it is an offense against, The Nursing Act 1997, to practice nursing in Bermuda if their registration is not current.
