Name of Public Authority: Ministry of Education Headquarters

Introduction:

The purpose of the Public Access to Information Act is to—
- give the public the right to obtain access to information held by public authorities to the greatest extent possible, subject to exceptions that are in the public interest or for the protection of the rights of others;
- increase transparency, and eliminate unnecessary secrecy, with regard to information held by public authorities;
- increase the accountability of public authorities;
- inform the public about the activities of public authorities, including the manner in which they make decisions; and have more information placed in the public domain as a matter of routine.

The purpose of the information statement is to provide information to give the public sufficient information about the public authority to help them to make requests and share to what information is already publicly available.
