PATI Information Statement

Name of Public Authority: Office of the Clerk of the Legislature

Introduction:

The Public Access to Information Act (PATI) 2010 was designed to give the public the right to obtain access to information held by public authorities to the greatest extent possible, subject to certain exceptions. PATI is also intended to increase transparency and accountability in the public sector and provide information on the activities of public authorities and the manner in which they make decisions. As a result of PATI more information will be routinely placed in the public domain.

The following document is the Information Statement for the Office of the Clerk of the Legislature. It contains information regarding the organizational structure, mission statement, legislative responsibilities, departmental objectives and records held by the Office of the Clerk of the Legislature.

Some records of the Office of the Clerk of the Legislature are protected under parliamentary privilege under Section 36(b) of the PATI Act and Parts II and III of the Parliament Act 1957. As a consequence, these records fall within Part 4 of the PATI Act and should be viewed as exempt records. Therefore, not all records can be accessed.

The Office of the Clerk of the Legislature’s mission is to provide an impartial advisory service to Parliamentarians by performing administrative and professional services for both Houses of the Legislature and for the Parliamentary Committees; and to foster mutually beneficial relationships with other Commonwealth parliaments.
