

# COVID-19

(Coronavirus)

If you are working in construction,  
mechanical or landscaping  
then you need to:

6 feet of  
distance  
between  
each other

- Stay home if not feeling well
- Wash your hands or use hand sanitizer often
- Disinfect shared hand tools often
- Wear respiratory protection that is appropriate for the job you are doing. Some jobs may require half mask respirators with P-100 filters, etc. (depending on the hazards associated with the work).
- Maintain work zones and physical distancing of 6ft as much as possible
- If in an office, signs should tell persons to stay six feet away

*For more specifics on worksite protections at a construction site, mechanical or landscaping operations, please refer to **Section 7.2** of the Return to Work Recommendations for Businesses.*
