

Prohibited Pesticide List

Prohibited pesticides: *Pesticides which are prohibited imports because of environmental or health concerns caused by the: percentage of active ingredient within the product, packaging of the pesticide, formulation of the pesticide, or to the pesticide applicator.*

- Bendiocarb
- Captan
- Chlorpyrifos
- Dacthal
- DDVP
- Diazinon
- Diclofop-methyl
- Endosulfan
- Ethion
- Isofenphos
- Isoxaben
- Methyl-bromide
- Oryzalin
- Oxyfluorfen
- Prodiamine
- Pronamide
- Quinclorac
- Tetrachlorvinphos
- Trichlorfon
- Triforine

Restricted pesticides: *Pesticides which are restricted imports because of environmental or health concerns caused by the: percentage of active ingredient within the product, packaging of the pesticide, formulation of the pesticide, or to the pesticide applicator.*

- Atrazine
- Azoxystrobin
- Bifenthrin
- Carbaryl
- Deet
- Glyphosate
- Home Foggers
- Hydramethylnon
- Mancozeb
- Neo-nicotinoids
- Oxadiazon
- Pentachloronitrobenzene
- Permethrin
- Propxur
- Tridimefon
- Trifloxysulfuronsodium
