

COVID-19

(Coronavirus)

PHASE
1-4

Important Notice for preventing COVID-19 outbreaks

AVOID THE 'THREE Cs'

Closed spaces with poor ventilation

Crowded places with many people nearby

Close-contact settings such as close-range conversations – Six feet must be maintained at all times including greetings.

DO PRACTICE:

Use outdoors and good ventilation

At least six feet distance

Wear masks correctly

One of the key measures to prevent the spread of COVID-19 is to use physical distancing to break the chain of infection and to keep you and your family healthy and safe.
