#### CAN:

- All immunised travellers arriving from the UK or who have been in the UK in the 14 days before arriving in Bermuda (both residents and visitors) must quarantine at accommodation away from others until the arrival of a negative Day 4 test result.
- **Must test on Day 4.**

#### CAN:

- Permitted to carry out all day-to-day activities in accordance with the public health guidance published on [www.gov.bm/coronavirus](http://www.gov.bm/coronavirus).
- Must continue to wear a mask, sanitize hands and practice physical distancing
- **Must test on Day 8**

#### CAN:

- Permitted to carry out all day-to-day activities in accordance with the public health guidance published on [www.gov.bm/coronavirus](http://www.gov.bm/coronavirus).
- Must continue to wear a mask, sanitize hands and practice physical distancing
- **Must test on Day 14**

#### CAN:

- Permitted to carry out all day-to-day activities in accordance with the public health guidance published on [www.gov.bm/coronavirus](http://www.gov.bm/coronavirus).
- Must continue to wear a mask, sanitize hands and practice physical distancing

#### DO NOT:

- Be in close contact with other persons who have not travelled with you

\*Residents WITHOUT a negative pre-arrival test result MUST quarantine at accommodation away from others until receiving a negative Day 4 test result as well. Then they can carry out all day-to-day activities in accordance with the public health guidelines published on [www.gov.bm/coronavirus](http://www.gov.bm/coronavirus) (wear a mask, sanitize hands, practice physical distancing etc.)

Please note that all above-referenced tests must be the COVID-19 PCR Test.

All persons should avoid the 3 C's at all times: Closed Spaces, Crowded Places and Close-contact settings
