

## Generating UK vaccine letter

Starting October 5 2021, Bermuda Residents who have received Pfizer doses in Bermuda can generate a UK vaccination letter which allows them to skip the pre-travel test if they travel to the UK. This letter can be generated by the residents who qualify through the following automated process

**Step 1:** Go to <https://www.gov.bm/vaccine-certificate> :

- Enter your Last Name and email address
- Check your email for the following email (may take up to 10 minutes to arrive)
- Click "Please visit this link"

**Step 2:** you will be redirected to your Immunization-related documents. These include your Vaccine certificate, latest Safekey, and the UK vaccination letter. Click "Register for UK Vaccination letter":

**Step 3:** Enter your passport number and confirm your local address, then click “Submit”. These elements are needed to generate the required letter:

## UK GOVERNMENT OVERSEAS TERRITORIES VACCINATION PROGRAM

As a part of the UK Government’s Overseas Territories vaccination program. Please supply your passport and address to generate the required document as evidence of your vaccination for travel purposes.

Submitting this page will generate that document in a PDF that you can download.

**Passport Number**

**Street Address**

**Parish**

**Postal Code**

Step 4: your UK letter will generate. You can now download it as a PDF, print it and travel with the letter.
