# Section C: Services and Programmes [s5(1)c]

## Services:
The Department of Child and Family Services is responsible for promoting and protecting the best interest of children, adolescents; adults and families in order to enhance their social functioning and their quality of life. This department provides assessments, day care services, care and protection services for children, family preservation services, foster care, residential group home care, counselling and life skills services for children and families, court social work services and psycho-educational services.

## Programmes:
The Department of Child and Family Services is responsible for the operation of the following Programmes:

**Intake Services** – the Intake Section is comprised of Screening, Investigations and Assessment teams. Upon receipt of a complaint from the community, the goal of the Intake process is to screen, assess and investigate a child or children’s immediate safety and risk of future harm.

**Family Preservation Services** - Family Preservation Services is responsible for providing intervention to monitor and ensure the safety of children at risk of abuse or neglect, assist families to improve family functioning, increase child well-being, reduce the need for placement in out of home care (foster care, residential group home care or psychoeducational services), and to enable children in out of home care to return safely to their families.

**Foster Care Services** - Foster Care Services provides children and youth with protection, care, and nurturance by licensed foster parents in private homes. Foster care is used for children when a Safety Assessment decision results in a placement to ensure a child’s safety. Foster care provides a safe, supportive and therapeutic environment for a child, while working towards either family reunification or an alternative permanency option.

**Residential Treatment Services** - provides group home living, individual and group counseling, family assessments and interventions, educational groups, transitional services and aftercare. Services are provided to adolescents between the ages of twelve (12) and eighteen (18).
**Counselling and Life Skills** - Services provides counseling, support and education for youth and families to manage situational change, improve family functioning, increase awareness of harmful risks related to youth substance misuse, and to improve functioning in daily activities at home, school and in the community. Services are administered through individual, family, and group counseling.

**The Happy Valley Child Care Center** - provides child care and early childhood education to children from infancy to four years of age.

**Psycho-Educational Programme** provides a collective response to meeting the needs of children who have exhausted the educational and therapeutic service options available in Bermuda.

**Court Social Work** - The purpose of the Court Social Work Office is for the Court Social Worker to assist the Supreme Court Justices, Magistrates, Department of Immigration and Overseas Social Service Agencies through the use of Social Inquiry Reports, Home Study Reports and Guardian Ad Litem Reports in making custody and/or access arrangements and Adoption orders that are deemed to be in the best interest of the child(ren).
