Name of Public Authority: Department of Financial Assistance

Introduction:

The Department of Financial Assistance has a legal duty under the Public Access to Information Act 2010 to maintain and update annually an Information Statement. This will facilitate easy access to information by the public and increase the accountability and transparency of the Department, which will endeavor to proactively publish as much information as possible.

The purpose of this Information Statement is to outline the information held by the Department of Financial Assistance which will be readily available to the public under the PATI Act 2010. The Information Statement is divided into several different categories to help the public access the information that they are seeking:

Section A deals with the structure, organization and legislation of the Department of Financial Assistance.

Section B describes the functions, powers and duties of the Department of Financial Assistance and its obligations under the Public Access to Information Act 2010.

Section C covers the services and programmes carried out by the Department of Financial Assistance.

Section D outlines the records and documents held by the Department of Financial Assistance.

Section E lists any administrative manuals used by the Department of Financial Assistance.

Section F describes any other decision-making documents held by the Department of Financial Assistance.

Section G provides the name and contact details of the Information Officer for the Department of Financial Assistance.

Section H contains any other relevant information held by the Department of Financial Assistance.
**Section I** explains where copies of the Information Statement may be obtained.

4. Child Day Care Allowance Regulations 2008

Section B: 1) Functions, powers, duties of the Authority [s5(1)b]

The mission of the Department of Financial Assistance is to ensure that Bermudian individuals/families with insufficient resources have access to services in order to gain, maintain, or regain a minimum standard of living while encouraging personal and economic independence. The services will enable the individual to maintain dignity and self-worth and encourage the development of personal skills and resources.

Policy decisions are made at the ministerial level, with appropriate input and consultation from the Department. Consultation with other government stakeholders and with external stakeholders is sought as appropriate. The Department of Financial Assistance provides timely policy advice to the Permanent Secretary and the Minister of Health on a wide range of policy matters regarding financial assistance.

The Ministry of Health’s Headquarters is responsible for ensuring that appointments are made to the various Boards and Committees under its remit. In regards to the Department of Financial Assistance, the following Board has been gazetted for 2020:

- To do anything else as required under the PATI Act and subsequent Regulations [s59, 60], including:
  - Fees for requests for information
  - Management and maintenance of records
  - Procedures for administering the Act
- To train staff and make arrangements so as to facilitate compliance with the Act [s61]
- To designate one of its officers to be the person to whom requests are directed [s62]
Section C: Services and Programmes [s5(1)c]

Services:

The Department of Financial Assistance assesses Bermudian individuals/families to determine their level of need in a timely and effective manner. The Department ensures that services are administered in a manner consistent with the Financial Instructions and Financial Assistance legislation. The Department of Financial Assistance establishes appropriate and reasonable procedure for measuring the effectiveness of delivery of services, and provides information pamphlets for dissemination to the general public.

Programmes:

The Department of Financial Assistance is responsible for the operation of two Programmes: The Financial Assistance Programme and the Child Day Care Allowance Programme. The Financial Assistance Programme ensures that all eligible individuals/families are assessed and if deemed eligible, are awarded a grant for the purpose of the provision of a basic/minimum standard of living; this Programme also provides funds for distribution of Grant money to a number of Charities and community organizations that provide services to its clients.

The Child Day Care Allowance Programme aids Bermudian parents/guardians by assisting them with financial assistance to offset the cost of child day care services for children between the ages of 0-4 (4 and has not yet commenced public or private pre-school education).
